Lofty chancel, with windows arranged in the shape of a cross, is shown above as Rt. Rev. Harold Sexton preaches special dedication sermon at Church of St. Mary the Virgin—(Colonist photos by W. Atkins.)

New chancel of the Church of St. Mary the Virgin, Oak Bay, was consecrated at special service Sunday by Rt. Rev. Harold Sexton, Bishop of Columbia. Consecration marked feast day of St. Simon and St. Jude. Shown above are Richard Davenport, carrying bishop's staff; Bishop Sexton, Diocesan Chancellor A. D. Crease, and Registrar R. A. Wootton.

Breaches of Code May Bring Action

Possible prosecution of a Saanich resident for alleged contravention of municipal building code by-laws looms from action of the municipal council last night.

Building inspector J. S. Taylor was instructed to confer with the municipal solicitor on the possibility of laying charges against a Darwin Avenue resident.

The action stemmed from a zoning board of appeal which turned down an application for permission to operate premises as a two-family unit.

The council heard from Mr. Taylor that the resident had allegedly contravened three by-laws in converting the premises.

"It's high time we asserted ourselves. Two many by-laws are being broken," said Reeve Joseph Casey. Councilor Mrs. Grace Shaw said the council would not be standing by persons who observed by-laws if some action was not taken. Cllr. W. C. Kersey said he couldn't condone the man's alleged action but he added that where the action was against one it would have to be against others.

City's Beer Supplies Swiftly Running Out

Beer supplies in Victoria licensed premises and clubs are either exhausted or enough for just one more day.

That's the estimate from the brewery workers' union which called a strike at four island and mainland breweries last Wednesday.

One parlor remained closed yesterday after supplies were exhausted Saturday. Other premises are expected to follow suit today. Bottled beer supplies were reported sufficient for less than a day at most premises.

Brewery workers are prepared to sit out the strike, said union spokesman Henry Nowotniak. He said there was no sign of negotiations between the four companies and the union.

Meanwhile, Victoria stores and the customs and excise office reported no rush by thirsty patrons to assure further supplies from home brew.

First requirement is a license to make the brew, the customs officials said. There is no charge, but the application must contain a list of utensils proposed to be used.

The license also includes a clause that the brew will be for the sole use of the applicant and members of the family living in the same household, and not for sale.

Infracture of the rules make the brew expensive, with a fine of from \$25 to \$100 for not having a license. Higher penalties are imposed for second offenses.

Potatoes Said Held Awaiting Price Rise

Vancouver Island potato growers are holding back supplies hoping for a jump in prices, wholesalers reported yesterday.

The move is taken as potato prices have risen \$20 and \$25 a ton during the past month. Supplies are low although there is no fear of a potato famine, wholesalers said.

The sharp price increases were brought about by freezing prairie weather which has delayed deliveries to the coast. Potato digging is expected to get under way there next week, reports said.

Imported United States potatoes are priced at \$5.50 a sack at wholesale level. Prairie potatoes, if they were available, probably would be \$4.50 a sack, wholesalers added.

Retail prices on Canadian potatoes are from 35 cents to 70 cents for 10 pounds. U.S. No. 3 grade potatoes are \$1.25 for 25 pounds.

Wholesalers said higher prices on most fruits and vegetables are seasonal but they added that

Vehicle Licenses Up From Last Year

A TOTAL of 273,984 motor vehicles were licensed to use provincial roads in the first nine months of this year, it was announced yesterday by the motor vehicle branch.

During the same period last year 247,354 motor vehicles were licensed.

The province issued drivers' licenses to 311,844 during the first nine months of this year, compared to 312,031 drivers' licenses issued in the same period of 1950.

An earlier draft by-law has given anti-smoke enforcement powers in the building inspector's department.

It was suggested an advisory committee might later be set up to seek co-operation of offenders before any moves to prosecute were made.

Building inspector William Oosterink reported that one or two mills had already installed smoke-washing equipment in their heating plants.

Soggy Fireworks To Cost \$1,514

AROUND TOWN

The city will probably have to foot a \$1,514 bill for a few soggy fireworks which only a handful of people saw last Monday night.

The gales and rain which dampened many other aspects of the Royal visit here Monday also spoiled some of the colorful parts of the fireworks display.

Yesterday, the city received a bill from F.T.S. Ltd. of Vancouver which supplied the pyrotechnic equipment.

In a letter received yesterday by the city clerk, F.T.S. secretary G. C. R. Jackson said "a large portion of the set piece fireworks... were either blown down or demolished by the gale."

Although most of the show was fired off, he said, "it was not possible to utilize the main set pieces."

The 14th annual banquet of the Victoria Girls' Drill Team will be held at the Club Sirocco at 7 p.m., Nov. 9.

Capt. Norman Foster, who founded the organization in 1938 and has remained as its director and trainer, is arranging the event.

A number of civic and provincial dignitaries will be invited, along with parents of the team members and former members.

Winner of the Mrs. R. P. Butchart Silver Trophy, which goes to the outstanding member of the team for the past year, will be announced at the banquet.

City police are sporting a new decoration on their uniforms—gold and silver stars worn on the left sleeve.

Inspectors and above wear gold stars and sergeants and constables, silver ones.

Each star denotes five years' service and is worth 10 cents a day in pay.

There was a surprised truck driver at the corner of Store and Johnson Streets yesterday morning.

Clarence W. Davies, 24 Hampton Road, was driving his loaded truck along the road when suddenly the back wheels sank axle deep as the road caved in.

Many Victorians made Sunday drives to Goldstream to see salmon heading upstream for their spawning grounds, but most were disappointed.

Only a few fish are actually heading up the waterway now, but their numbers will increase steadily during the next several weeks. The peak of the spawning run should be reached toward the latter part of next month, according to Arthur Touchings, federal fisheries representative.

Through uncanny instinct, salmon always return to the same stream in which they were born, fighting their way up to sheltered spawning grounds. Many die in the attempt.

Once on the spawning grounds the female lays her eggs. The male fertilizes them. Then the parents die.

Federal fisheries officials have warned that heavy penalties await anyone caught molesting the salmon.

The two-day annual fall rally of the Vancouver Island Presbyterian Young People's Union will open at Metropolitan United Church Saturday.

Registration begins at 5 p.m. Saturday and will be followed by a banquet and a business meeting to elect next year's executive.

The rally will continue at 2 p.m. Sunday with devotional, theme address, and group discussions. Officers will be installed after the regular evening service.

Speaker on the rally theme, "Youth at the Crossroads" will be Rev. Horace Burkholder. Miss Rita Rhinehart will be rally chairman.

Price of Eggs Takes Tumble Of Two Cents

Egg prices dropped another one to two cents yesterday as over-active Vancouver Island chickens continued to flood the market.

Prices paid to producer on Grade A large eggs dropped from 36 cents to 34 cents and on Grade A medium from 45 cents to 43 cents.

Wholesale prices dropped from 68-69 cents to 67-68 cents on A large, and from 57-58 cents to 55-56 cents on A mediums.

Officials of the agriculture department were reluctant to predict whether prices would continue to fall.

Recent buyer resistance because of high egg prices is shrinking, they say, and if cold weather decreases egg output the downward spiral should cease.

Record Tourist Entry To B.C. in September

Trade and Industry Minister L. H. Eyres stated yesterday that foreign cars entering British Columbia during the month of September on travelers' vehicle permits totaled 29,220.

A new record for the month, compared with 27,003 in September, 1950.

The September figure increased the nine-month total for 1951 to 210,243. Total for the

first nine months of 1950 was 188,243.

Mr. Eyres attributed the greater influx to publicity efforts of federal and provincial governments and regional organizations.

"Taking into consideration that the figures quoted do not include recreational travel by bus, rail, air and steamship, there is every reason to believe the final tabulation at the end of the year will show B.C. played host to more than 1,300,000 visitors," stated the minister.

King-Size Potatoes Given to Food Stall

MRS. E. M. Johannes, 4354 Pandora, received good returns in the form of more than 300 pounds of potatoes from 20 pounds of seed she planted this year.

Largest of five she brought to The Daily Colonist weighed approximately three and a half pounds, while the second was three pounds.

Mrs. Johannes asked that they be turned over for distribution from Mrs. Barbara Green's surplus food stall.

Police Warn Against Hallowe'en Damage

Police in Greater Victoria yesterday urged everyone to have a good time tomorrow night and enjoy Hallowe'en.

But they added a rider that they won't stand for any willful damage to property or people getting hurt.

Already incidents of vandalism are filling the police blotter. One in Saanich last week-end was serious and the victim is in Jubilee hospital with serious acid burns on his face.

Viciously assaulted by three juveniles last Saturday night, was Edward Vincent Smith, 31, of 1028 Pender-gast.

According to Sgt. Jack Hamilton, who is in charge of the investigation, Smith alighted from a bus in the 3400 block Maplewood and was approached by the masked trio.

They asked for Hallowe'en handouts, Smith told police.

He jokingly asked the youths if they weren't "rushing things a little."

The reply was a stream from what is believed to have been a water pistol in Smith's face by one of the boys. They then took to their heels.

Smith was taken to Jubilee Hospital by an unidentified friend where he was treated for acid burns and allowed to return home.

About 2 p.m. Sunday, the pain became intense so Saanich police rushed him back to hospital where he was admitted.

Hospital officials said his condition was "good," late last night.

Police Chief Josiah Bull, of Saanich, said yesterday this type of thing will not be tolerated and any such

incidents will be dealt with severely.

Police Chief John Blackstock of the city police department also said he would not stand for any vandalism.

However, he urged everyone to have a good time within reason.

"This is a children's night and I want the parents to make sure it's a success," he said.

Fire Chief Robert Brindle urged caution with fireworks and asked youngsters not to throw them on porches or in mail boxes.

"It's a dangerous practice," he said, "and can easily start fires."

Fire Chief Joseph Law of Saanich echoed Chief Brindle's request.

"We had one fire at 18 Hampton Road last week as a result of fireworks," he said. "The back porch was burned."

Fire Chief Edward Clayards of Oak Bay expects the "biggest and noisiest" Hallowe'en party in the history of the municipality.

But he is happy about the whole thing. The party is being held next door to the firehall and is sponsored by the Oak Bay firemen and the Oak Bay Kiwanis Club.

"Just be careful," he warned children and adults, "and use the proper punks or safety matches for lighting the fireworks."

Firemen have completed building a huge stack of logs and lumber for the occasion. It will be touched off at 7 p.m. and the party will be on.

Success of this organized Hallowe'en party was evident last year by the number of people that attended. This year the road will be blocked off to traffic.

City Man Hoping for Sweep Jackpot

Optimistic, but not overly so, is the way Charles B. Holmes described his feelings on being informed yesterday that his ticket had been drawn for the Cambridge Irish sweepstakes.

"I stand a pretty good chance," Mr. Holmes said. "I've checked some records and the favorite horse hasn't won the race since 1935."

His horse Stromboli is not a favorite, he added.

Drawing of his ticket paired with the horse assured him of at least \$329, about \$900. First prize is \$50,000, about \$150,000.

Mr. Holmes, 1026 Collinson, will be up early Wednesday morning to catch the race broadcast.

"What happens if my horse wins? I'll think about it then," he said.

Mr. Holmes, a widower, has lived in Victoria for 15 years. The 74-year-old ticket holder is a former building contractor now in semi-retirement.

Meanwhile, Jack Leonard, Douglas Street, awaits word whether his ticket has been paired with a horse. Mr. Leonard received word Saturday his ticket had been drawn, assuring him of \$100.

He's still awaiting a confirmation note that might lend some further information as to whether he has any hope for the top prize of \$150,000.

Charles B. Holmes yesterday was notified he has drawn the horse Stromboli for the Cambridge Irish sweepstakes race Wednesday. Listening to the radio Wednesday morning with the 74-year-old widower will be his faithful companion, Royal Mail. (Colonist photo by Bud Kinsman.)

Navajo Weaving Legends Told to Victoria Guild

Navajo weaving legends and accomplishments were outlined by Mrs. Helen Ellis in her talk to Victoria Hand Weavers' Guild at their recent meeting.

A fine example of a Navajo rug was shown members and developments in the history of hand weaving in North America were described.

Mrs. Ellis spoke of the revival of hand weaving. Hand weavers now number in the thousands and are located all over Canada and the United States. Most widely known of modern weavers is Dorothy Liebes, who has made an outstanding artistic and financial success of hand weaving.

Mrs. Hazel Hodson, president, conducted the business session at which the members of the exhibition committee were elected. These included: Mrs. S. Pickles, Mrs. F. Yeomans, Mrs. D. McKechnie, Misses M. Ogilvie, J. Knight and J. Battray.

A notice of motion was given that the annual meeting be held in June instead of January, the new officers to take office Sept. 1.

Members were advised that articles intended for the two forthcoming exhibitions were to be in the hands of the standards committee convenor, Miss Marjorie Hill, not later than Nov. 5. Pieces will be selected for Hamilton and Edmonton shows.

The afternoon study group will meet on Wednesday at the home of Mrs. S. Pickles, convenor, when a demonstration of weaving will be given by the instructor, Miss Marjorie Hill.

Mr. and Mrs. M. Patterson Take Honeymoon Trip in States

Mr. and Mrs. Malcolm Norman Patterson are driving through Washington, D.C., following their wedding Saturday evening at St. John's Church.

In a setting of bronze, yellow and white chrysanthemums, Rev. Canon George Budd performed the ceremony uniting Shirley May Leigh, R.N., a graduate of St. Joseph's School of Nursing, and the late Mr. A. Earle Leigh, and the son of Mr. and Mrs. Norman W. Patterson.

The bride was charming in a gown of white lace over satin, a strapless formal worn with a matching lace jacket styled with Elizabethan collar, tiny satin buttons, long pointed sleeves and pleated petticoat. Her veil of French illusion net with lace border to match her gown, was arranged under a headpiece of satin and seed pearls. She wore a star-diamond ring, her parents' graduation gift, and pearl necklet and earrings. She carried a cascade bouquet of pink Rapture roses with gardenias and lilies.

Mr. W. J. Leigh of Vancouver gave his niece in marriage.

Miss Marilyn Leigh, her sister's only attendant, was dressed in dusty rose taffeta with short-sleeved jacket. Her small velvet hat had a soft twist of veiling matched her gown. She had white nylon mitts and carried a bouquet of white chrysanthemums.

Mr. Leslie Leacock served as best man and ushers were Mr. Eric Rossiter and Mr. Gordon McKenlie.

The mothers of the young couple received with them at the reception held at Olde England Inn Equivalents. Bronze, yellow and white chrysanthemums decorated the table which was covered with an ecru lace cloth and by the bride's godmother, Mrs.

Of all requests for exercises the one that asks for those to slim the hips prove most popular. Recently, a working girl wrote in asking for help with this problem and went on to say

she was certain her hips were all day have to cope with the same figure problem. Her plea was one in general to help all working girls. I might add that many housewives fight the same figure fault. Even though their daily activities often allow little time to sit down, their routine employs the same muscles day in and day out.

With both groups in mind we offer the following hip whittlers. If done conscientiously and daily they should be most helpful in trimming and firming that hip-line.

1—Lie on back, left leg

straight. Bend right knee hooking toes under left knee. Arms stretched out at sides. Stretch right knee across left to floor. Snap right thigh out right to floor.

2—Lie on back, both knees bent. Drop knees to floor right and left 20 times.

3—Sitting, arms out. Legs stretched diagonally left with right leg crossed over left. Roll back on all left side to shoulder. Cross legs opposite and roll up on right to face diagonally forward right with left leg crossed over the right leg. Repeat opposite and do six times.

4—Sitting, legs crossed. Grasp ankles and rock back to shoulders and return. Do six times.

Hospital Tea on Thursday

Plans are completed for the hospital tea to be held at the Nurses' Residence of the Jubilee Hospital, Thursday, from 3 to 5 p.m., under the auspices of the Florence Nightingale Chapter, I.O.D.E.

Receiving guests will be the regent, Mrs. William Blair, and the honorary regent, Mrs. James Baker.

Mrs. Percy George and Mrs. O. B. Ormond will pour tea, assisted by Mrs. Moulson Smith and Mrs.

Emerson Smith. Program convenor is Mrs. W. R. Roakelly and vocal artists are Mrs. T. S. Floyd and Mrs. Charles Goodwin, accompanied by Mrs. Nelson Ball and Mrs. John Cough. Mrs. M. Gibbs is in charge of flowers.

Royal Roads Chapter, I.O.D.E. will hold a special sewing meeting Wednesday, at 2:30 p.m., at the home of Mrs. Max Zabel, 2528 Cavendish Street.

Don't COST — They PAY

*MR. MARCEL TREMPÉ...

Mr. Trempe, I understand you are a regular purchaser of Canada Savings Bonds. Why do you buy them?

They're all for my boys, later on.

Did you buy your bonds at work? I mean from deductions from your pay?

No, I bought them from my bank. I transferred the money from my savings account into Canada Savings Bonds. I always work to a budget for the sake of my family; that is, so much is for living expenses, so much for clothing, and so much for recreation and vacation, and so much for savings. I think Canada Savings Bonds provide the best way to save. I paid cash for my bonds and they are there, safe, for when I need them.

Do you figure they will come in handy in case of sickness in the family, or perhaps to help you in your old age?

Not for me. I have the hospital plan for sickness and accident protection, and the old age pension

plan, too. No, I have all that. My Canada Savings Bonds are all for my boys, for their education. The interest from the bonds will help with the expenses of ordinary schooling, and then the bonds themselves will provide the money for the boys to go to university. I want them to have the best, and with the bonds, I am budgeting for it now.

NOW BETTER THAN EVER

- Canada Savings Bonds—6th Series—mature in 10 years
- and 9 months from date of issue and bear ten 3 1/2% coupons. The first coupon covers 1 year and 9 months and is payable on August 1st, 1953; subsequent coupons come due August 1st yearly thereafter until maturity. If cashed before August 1st, 1953, simple interest is paid at 2% per year, calculated monthly. If held to maturity the overall yield is equivalent to 3.21% per year. The limit for holdings in any one name is \$5,000 in the 6th Series. The bonds are cashable at full face value, plus interest at any time at any bank in Canada. They are registered in the owner's name. They are non-assignable and non-transferable.

*Mr. Marcel Trempe, at 31, is the father of three small boys of pre-school age. Mr. Trempe and his pretty brunette wife live in a smartly furnished upper flat at 1651 Lajoie Street, a pleasant suburban avenue in Trois Rivières, Quebec. Mr. Trempe is a laboratory technician working on production controls in the Waynagomack paper-making plant, a job he has held for ten years. He is one of more than a million Canadians who save regularly with Canada Savings Bonds.

Funds Needed to Mail Clothing

Would you give a dollar, or perhaps 50 cents, to a family that had lost its home, possessions and even clothing?

The Shantymen's Christian Association is appealing to Victorians to send clothing to the victims of the storm.

Only \$75 is still lacking. The city granted \$50 to the fund after a request from the association in charge of the drive.

Winston Reynolds, former Jamaica resident in charge of the drive, said: "We could use every nickel that is donated. The clothing should be sent as soon as possible to benefit the people who lost everything."

The storm that hit Jamaica was the worst in memory. Many people were killed when buildings collapsed on them, and hundreds of homes were totally destroyed by terrific winds.

Mayor Hill of Kingston, Jamaica, recently acknowledged a letter from Herbert L. Harris, former city clerk of Kingston now in Victoria. The mayor said: "The suffering of the people of Jamaica after the storm has been considerable."

He thanked Mr. Harris and

the citizens of Victoria for their kindness in donating the needed clothing, and hoped the parcels would soon appear in Jamaica.

Arts Centre to Require \$4,000 for Conversion

The sum of \$4,000 will be needed to convert the former Spencer home, on Moss Street, into a "very good arts centre," according to curator Colin Graham.

Mr. Graham made his report following a careful study of the house.

The \$4,000 will include installation of the necessary lighting, and floor covering. It is expected that several of the rooms which will later be used for children's classes will be covered with linoleum.

While the new curator is anxious to retain the Victorian graciousness in the character of the building, he believes three of the upstairs rooms should be modernized for exhibiting modern art.

Will Sell Gold On Open Market

KIRKLAND LAKE, Ont. Oct. 29 (CP)—Lake Shore Gold Mines Ltd. said today it will sell its total production for the rest of the year on the free market.

The decision will make the company ineligible for Federal cost-aid under the Emergency Gold Mining Assistance Act.

Cost-aid was paid to mines to supplement the price of \$35 an ounce in United States currency set by the International Monetary Fund. When the fund recently permitted member countries to set their own gold policy, Canada announced that producers would have the option of selling all production on the free market and losing the cost-aid benefit or selling all production to the government and retaining the benefit.

Current free market price is about \$39 an ounce.

Fisherman Catches Gull "On the Fly"

J. L. Mera, 600 Linkleas, "got the bird" literally.

He was fishing aboard his boat, Tuya, Sunday afternoon off Separation Point. The colorful bucktail fly was skimming along the surface about 75 feet behind the vessel, and Mr. Mera was casting for a salmon.

There was a sudden strike. The reel started to hum. But in

stead of the line going down into the water, it went up into the air.

A seagull had swooped to grab the lure—had become firmly hooked and started to fly away.

The fishermen used skill in "landing" the unusual catch.

Victor Griffith, co-owner of the Capt. J. J. Yacht Club, was fishing nearby aboard his 11-foot boat. He went alongside the Tuya.

Mr. Mera held the large bird while Mr. Griffith used clippers to trim the feathers.

hook. The seagull remained quiet and still while the emergency "operation" was being performed.

Alberta Coal Prices Jump to New High Here

Price of Alberta coal, which had been steadily jumping to a new high here Monday and dealers here reported that prices of Vancouver Island coal will soon follow suit. Hard Coal Company, Ltd.

Higher production costs were given as the reason for the jumps, which put McLeod River coal at \$21 a ton; egg to \$20.85, and nut to \$16.55.

Snuff's Return Cheered

Loggers are happy again these days and the production is on the increase now that regular supplies of snuff are back on the market.

The long-suffering woodsmen, who were idle for months because of the record drought, had the additional burden thrust upon them by the recent eastern tobacco strike.

Snuff's popularity came into being years ago when camp commissaries refused to make cigarettes a substitute for cigars.

Since that time, it has been considered vital to loggers' morale and therefore, to log production.

U.S. Ambassador Pays Surprise Visit Here

A surprise visitor to Victoria over the weekend was Stanley Woodard, U.S. Ambassador to Canada.

During his unofficial visit, Mr. Woodard was a guest at the Uplands Road home of Frederick W. Hinkle, U.S. Consul to Victoria.

He predicted to friends here that the United States by storm.

Famous for historic buildings, Ravenna was the capital of Italy from the fifth to the eighth century.

3 STORIES BACK OF THE NEW POST OFFICE

CAREER GIRL... In Detroit, after being selected "Miss Sewer Cleaner of 1952," Gayla Davis, 17-year-old model, decided, "It may be a soggy title, but it helps my career. I don't care."

"I Get Along Fine On My Party Line... BY SPACING MY CALLS"

When you have a number of calls to make it's thoughtful to leave a good break between each one. That way, others on the party line can complete their calls and leave you free from interruptions. Other little courtesies like hanging up gently when the line is in use... keeping calls reasonably short... and releasing the line quickly in an emergency, go a long way towards helping everyone enjoy smoother party line service.
